paperback islam has influenced and continues to influence many cultures around the globe it is shaping history cultures and civilizations sadly most of us only receive a two dimensional look at islam a view that is often distorted by the brevity of the media sound bites or by opinionated agendas our intention with this book is to present islam its teachings and the history of those who follow it it is not a comprehensive study nor should it be seen as definitive rather it should be used as a stimulus for further detailed study we hope and pray that this effort becomes a source of promoting much needed harmony peace tolerance and coexistence in the human family this can be done through school education systems interfaith sessions mosque open houses educational seminars and individual readership this new revised edition has larger text clearer graphics and many new additions to the previous text

the journey into the past through the lives of allah s messengers is a thrilling and inspiring experience this small volume takes the reader back to the time of adam alayhis salaam who was the first prophet on earth and from there travels onwards recounting the remarkable stories of the well known prophets till it arrives at its final destination the life of the last and final messenger prophet muhammad sallallahu alayhi wasalam we do not know exactly how many messengers there were in total but we know that allah sent them in succession to every nation to deliver his message in the language of its people and for every nation there is a messenger
holy quran 10 47

prophets are messengers sent by allah to bring people from darkness to light all prophets came with the same truths they are guides who describe the creator of the earth and the universe give information about him and come to explain the existence of eternal life after death while those who follow the truths they bring reach eternal happiness those who forget them are doomed to be lost in the deserts of the world

this expansive four volume encyclopedia presents a broad introduction to islam that enables learning about the fundamental role of islam in world history and promotes greater respect for cultural diversity one of the most popular and widespread religions in the world islam has attracted a great deal of attention in recent times particularly in the western world with the ongoing tensions in the middle east and a pervasive sense of hostility toward arab americans there is ever increasing need to examine and understand islam as a religion and historical force islam a worldwide encyclopedia provides some 700 entries on islam written by expert contributors that cover the religion from the birth of islam to the present time the set also includes 16 pages of color images per volume that serve to illustrate the diverse expressions of this important religious tradition each entry begins with a basic introduction followed by a general discussion of the subject and a conclusion each entry also features a further readings list for readers in addition to supplying a comprehensive authoritative overview of islam this work also specifically addresses many controversial related issues including jihad violence in islam polygamy and apostasy
