proud of richard branson 2002 p 57 after the publication of my bestselling
international handbook on innovation publishers from around the world began to
invite me to work on new books with them when springer invited me to prepare
the international handbook on giftedness i was on a maternity leave with my 3
months old and my 5 year old was just starting school i however had wanted to
prepare such a handbook for a long time and was waiting for just the right
moment to dive right into such an endeavor the time had come and i agreed to
prepare a handbook that would expose readers to new views great discoveries and
significant advancements of scientific knowledge exactly as richard feynman
advised see his opening quote at the beginning of the introductory chapter i have
always been convinced of the paramount significance of the topic of giftedness and
gifted education to the world as a whole there is no doubt that gifted individuals
