a new idea can become an expensive flop for tv executives so from the earliest days of television the concept of a pilot episode seemed like a good idea trying out new actors new situations and new concepts before making a series was good economical sense it was also tax deductible sometimes these pilots were shown on television sometimes they were so awful they were hidden from sight in archives and sometimes they were excellent one offs but a series seemed elusive and never materialised chris perry has always been fascinated by the pilot episode so many pilots are made annually but never seen by audiences only a handful appear on screen it s a hidden world of comedy variety drama and factual programming this volume attempts to lift the lid on the world of the tv pilot by revealing the many transmitted and untransmitted episodes made through the decades

this book explores the puzzling phenomenon of new veiling practices among lower middle class women in cairo egypt although these women are part of a modernizing middle class they also voluntarily adopt a traditional symbol of female subordination how can this paradox be explained an explanation emerges which reconceptualizes what appears to be reactionary behavior as a new style of political struggle as accommodating protest these women most of them clerical workers in the large government bureaucracy are ambivalent about working outside the home considering it a change which brings new burdens as well as some important benefits at the same time they realize that leaving home and family is creating an intolerable situation of the erosion of their social status and the loss of their traditional identity the new veiling expresses women s protest against this macleod argues that the symbolism of the new veiling emerges from this tense subcultural dilemma involving elements of both resistance and acquiescence
