from beginning to end the *de rerum natura* upsets expectations this book's premise is that Lucretius intentionally provokes his imagined male audience playfully and forcefully proving to them that they are not the men they suppose themselves to be from astral bodies to the magnetic draw of human sexuality to the social bonds linking parents to children Lucretius shows that everything is compounded material both a source of atomic issue and receptacle of atomic ingress the universe as Lucretius presents it is a never ending cycle of material interpenetration connectivity and dissolution Roman men in the

vastness of it all are only exceptional in their self defeating fantasies close analysis of lucretius poetics reveals an unremitting assault upon the fictions that comprise roman masculinity from seminal conception in utero to existential decomposition in the grave nevertheless lucretius offers an epicurean vision of masculinity that just might save the republic

this book explains why both popular and academic commentators have found it impossible to define masculinity it is because no such thing exists re examining the ideas of thinkers such as sigmund freud and thomas hobbes the author shows that modern societies faced the novel problem of explaining how men and women had equal rights yet led such different lives and solved it by inventing the concept of masculinity

this breakthrough book from the author of refusing to be a man offers a daring alternative to the cult of masculinity stoltzenberg explains why men so often act as if they were split in two like dr jekyll and mr hyde and provides a realistic prescription for gender justice showing exactly how men can put this wisdom to work in every aspect of their lives

the relentless war on masculinity is a cultural rhetorical chemical legal and institutional attack on all males during the last seven decades it has resulted in the united states united kingdom canada australia and new zealand moving from being societies characterised by equality during the 1980s to now being highly gynocentric western countries have tilted against men and boys for decades dismantling fatherhood ignoring male disadvantage and portraying masculinity as a problem to be fixed the result is a crisis falling education outcomes for boys disengaged young men rising mental health struggles plummeting birth rates and fractured relationships between men and women this book shines a light on the causes of the crisis and offers a vision for how to rebuild combining data driven analysis with heartfelt advocacy david maywald calls for a new social contract one where boys are supported men are respected and both sexes work together to create a healthier future for us all this book explores how anglo societies moved from equality to gynocentrism and what that means for our families schools and communities why fatherhood faith and purpose remain essential foundations of human flourishing the cultural political and institutional forces that have sidelined men and how to reverse them practical solutions and reforms that can restore balance rebuilding collaboration between men and women there are no winners from the relentless war on masculinity but we can rebuild a much healthier society if men and women collaborate for our children inclusion demands that we listen to and engage with all voices including males white people and christians as a society will we choose combativeness or collaboration read on for a provocative hopeful and urgent call to action this book is for everyone who believes that when men and boys thrive society also flourishes perfect for readers of the boy crisis warren farrell and john
